

Mastering The Craft: Advanced Scene Study

Description

default watermark

Actors will engage in weekly self-tape assignments spanning a variety of genres, honing skills to meet any audition challenge with confidence and versatility. Actors will work on scenes from a wide array of genres and the audition techniques to excel with material from said genres. This program combines technical mastery, business insights, and intensive acting training with personal development, a powerful blend that has driven Johnâ??s students to excel. John will introduce a range of techniques, helping you develop a personalized acting process that maximizes your booking potential and keeps you top-of-mind with casting directors and producers.

This class is 12 weeks, once a week for an hour and a half.
