This 12-week intensive is designed for serious actors looking to refine their skills, deepen emotional authenticity, and make bold, nuanced performance choices. Through an in-depth four-script structure, actors will work on challenging scenes tailored to their unique castability, including:
â?? Raw Emotional Depth â?? High-stakes, vulnerable performances.
â?? The Heroâ??s Strength â?? Playing defiance, resilience, and command.
â?? Witty & Charismatic â?? Mastering comedic timing and sharp banter
â?? The Complex Villain â?? Portraying power, manipulation, and depth.
Each script follows a three-week process:

- Week 1: Text Analysis & Scene Exploration â?? Breaking down beats, subtext, and playing with choices
- Week 2: Performance Preparation â?? Rehearsing with modern method techniques & refining execution
- Week 3: Self-Tape Submission & Professional-Level Feedback

ð??¡ Final Industry Showcase â?? Actors will present their most polished scene in a live performance or virtual industry showcase for agents, casting directors, producers, and industry guests.
By the end of the program, actors will leave with four high-quality self-tapes, sharpened on-camera and audition skills, and a clearer understanding of their strengths and range in the industry.
